Chamberlain's Colic, Cholera and Diarrhoea Remedy.

This is a medicine that every family should be provided with. Colic and diarrhoea often come on suddenly and it is of the greatest importance that they be treated promptly. Consider the suffering that must be endured until a physician arrives or medicine can be obtained. Chamberlain's Colic, Cholera and Diarrhoea Remedy has a reputation second to none for the quick relief which it affords. Obtainable everywhere.

Mrs. A. W. Smith (nee) Miss Flora Jones, died at her home six and one half miles north of Keytesville Sept. 18, 1916. She returned from the hospital Aug. 26 and never recovered her strength, and three weeks later the Angel of death claimed her for its own. She was layed to rest in Buleaugh Cemetery September 19.

Mrs. A. W. Smith was born September 8, 1870, near Mussel Fork, Mo., and many friends and relatives are left to mourn her loss. She leaves a husband and four children to hover alone together in their little home.

Her father, Taylor Jones, a well known citizen of this part died a few years ago at the home of A. M. Smith. Her mother died at her home near Mussel Fork a few years ago. Four brothers and one sister survive to mourn the loss among her friends.

Mrs. A. W. Smith was a member of the Baptist church at Mussel Fork. She has lived a true Christian life since that time and her request was that her friends and loved ones should meet her beyond the Great Divide.
